2.0 Speaker set

Conceptronic brings you the CLLSPK20 2.0 multimedia speaker system! The 2x 3 Watt 2-way speaker design does not only look great, it provides you with a very realistic and natural sound. Thanks to the sleek and flexible design you can have it standing on your desk in various positions. The built in volume control and line in put in the speaker makes it very easy to control them on your desk and listen to music directly from your MP3 player, without having the PC turned on. Lounge'n'LISTEN to music or enjoy the sound effects while playing games!

Highlights

- Directly plug in your MP3 player to listen to your songs
- Built in volume control
